

Zoom on the 1.4-5 / 1.2-5 part of the AMPOWER 0-5 chart.
2022 positions read from AMPOWER Insights Vol. 11 (Nov. 2022), pp. 11, 70.
2026 positions: indicative, set for this course from the companies' 2026 status (machines on sale, series users, parts services, funding, closures); they are not an AMPOWER rating.
